

We are open at 25% capacity and with restrictions

As of Thursday April 8th our stores will remain open with government mandated restrictions. Although we recommend booking an appointment for in-store consultations, all of our stores remain open to walk-in traffic with a capacity limit of 25%. We also remain open for curbside pick up at all locations, and offer free delivery throughout the GTA.

Be assured that we are taking all necessary COVID-19 precautions to ensure the safety of our associates and customers.

Prefer to stay home? Browse our retail store virtually with **TUBS 360** and connect with a Brand Ambassador via Zoom.
